Issue Date: September 7, 2004

Filed: January 17, 2001  
Attorney Docket No. 03073-0001U2

OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed December 18, 2009, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

Any petition for reconsideration of this decision must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted below, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; and (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2). This petition lacks item (3) above.

With respect to item 3: A review of the Office record shows that the surcharge submitted with the petition filed December 18, 2009 is insufficient, the current surcharge is \$1640. The instant petition lacks the complete required surcharge as set forth in 37 CFR 1.20(i)(2). No consideration on the merits can be given until the required fee deficiency is remitted.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the delay in paying the maintenance fee under 37 CFR 1.378(c) was intentional, petitioner must notify the Office.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within **TWO (2) MONTHS** from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.
